

TJM CAIRNS

Requires the services of an

ACCESSORY FITTER

Experience in a similar role would be highly regarded,
although training will be provided to the right applicant.

Above all we require an honest and reliable person who has pride in their workmanship.

Your own basic hand tools and a current Drivers Licence are required.

If you are seeking a full-time position with this expanding business and are available for an immediate start, please post or email your resume to:
