T13 Outback Flared

NEW TOYOTA 79 SERIES DUAL CAB TJM BULL BARS

The complete range of TJM bull bars are available now for your Toyota 79 Series Dual Cab. TJM bull bars are put through a comprehensive design criteria and testing process. This ensures that all TJM bull bars are air bag compatible and ADR compliant.

Features of a T13 Outback Flared Bull bar (Pictured)

- › Full bumper replacement, no cutting of bumper required
- › Designed for improved approach angle
- › Lower wing and centre guards
- › Full cato straps for incredible strength and damage deflection
- › 63mm^ø tubes
- › Integrated fog lights (fog lights, wiring harness & switches included)
- › Flush mounted polycarbonate indicator/park lenses
- › Re-inforced T-Slot recovery jack points (suits the TJM recovery jack)
- › Low profile winch mount (TJM recommends fitment up to TJM 9,500lb cable and plasma winches)
- › Accommodates large driving lights (up to Britax Xray Vision 220 series)
- › Provision for fitment of dual aerials
- › Airbag compatible and ADR compliant
- › Does not void your new vehicle warranty

Note: Certain TJM bull bar models may not incorporate all of the above features for the Toyota 79 Series Dual Cab.
