## NEW HOLDEN COLORADO 7 TJM T15 STEEL FLEET BULL BAR

The TJM T15 steel bull bar is available now for your Holden Colorado 7. The TJM T15 shape provides first-class protection with its thick steel tubing whilst the comprehensive engineering features enable the bar to be airbag compatible and ADR compliant.

### Features

- › Designed for improved approach angles
- › Large 76mm<sup>Ø</sup> centre tube & 51mm<sup>Ø</sup> outer tubes
- › Flush mounted L.E.D. polycarbonate indicator/park lenses
- › Lower wing and centre guards
- › Re-inforced recovery jack points (Suits the TJM recovery jack)
- › Low profile winch mount (TJM recommends fitment up to TJM 9,500lb cable and synthetic winches)
- › Accommodates large driving lights (Up to Britax Xray Vision 220 series)
- › Provision for fitment of dual aerials on centre loop
- › Airbag compatible and does not void your new vehicle warranty
